

# Firelands Christian Academy Book Rental Agreement

---

In order to lower the cost of textbooks, Firelands Christian Academy is charging a book fee for several textbooks. This book fee will cover the usage of the book for the current school year. At the end of the school year, all books will be returned to the school and their condition evaluated based on the following guidelines:

1. Students are not permitted to write in their textbooks. If there is any writing in the textbook (even erased but can still be seen), the family will be charged to replace the textbook.
2. Overall condition of the book: this would include torn, damaged, or missing pages; damage to the cover of the book including partially or completely falling off the book or drawing on or inside the cover. If there is damage to the textbook (that was not present at the beginning of the school year), the family will be charged to replace the textbook.
3. Lost Books: Any lost/missing textbook will have to be replaced by the family, paying the full price for the textbook.

*I understand the above conditions and agree to replace any lost or damaged book at the end of the school year as evaluated by the school staff based on the above guidelines. I have listed below each child that will be renting a textbook(s) along with the title of the textbook.*
