Dear Home School Families:

I would like to thank you for taking the time to explore what Firelands Christian Academy has to offer your children. We are excited to work along side homeschooling families in our area to help provide services that might be difficult to do at home. FCA's school day begins at 8:15am until 3:00pm. We are excited to make participation available to homeschool families in our community.

All students grades K-12 participate in a weekly chapel service that anyone is welcome to attend with no fee. The school requires notification of when you will be attending any chapel service, so please sign up for Chapel as you would any other course.

To register for one or more of the above courses, complete the attached form and return it to the school. We will then meet with you about your request and go over more details necessary to begin the course. Please note the enrollment deadlines, as additional students will not be admitted after these deadlines have passed.

If you have further questions that need to be answered, please contact the school at 419-684-8642 or through e-mail at cbrowning@fcamustangs.com.

In Christ,

Carrie Browning
