Dear Inquiring Family:

I would like to thank you for taking the time to explore what Firelands Christian Academy has to offer your children. We are excited to work along side homeschooling families in our area to help provide services that might be difficult to do at home. FCA's school day begins at 8:15am until 3:00pm. We are excited to make participation available in our art, music, gym and chapel classes, along with TerraNova testing, field trips, and several other electives in grades 6-12.

Grade Level	Course	Occurrence	Fee	Time
K/1st	Gym, Music, Art, Sign Language	30 minutes One day each week	\$50	2:15-2:45pm

	Spanish I	45 minutes daily	\$120	11:30am-12:15pm

revised August 2019

All students grades K-12 participate in a weekly chapel service that anyone is welcome to attend with no fee. The school requires notification of when you will be attending any chapel service. Chapel is held each Friday from 8:20-9:00am.

We also offer participation in our spring testing, TerraNova 3, which takes place each year in April. Testing lasts from Monday - Wednesday and is held from 8:30-11:30am. The fee for testing varies upon the age of your child and the testing materials that have to be ordered.

We would also welcome participation in field trips that occur throughout the school year. Students take a minimum of 2 field trips in the year. Jr. and Sr. High students also have a class trip each May. Fees would include the normal price p/student and adult to attend that particular trip. Parents would need to provide transportation to and from the field trip. To receive a schedule of field trips for the school year, please e-mail cbrowning@fcamustangs.com.

To register for one or more of the above courses, complete the application and return it to the school. We will then meet with you about your request and go over more details necessary to begin the course.

If you have further questions that need to be answered, please contact the school at 419-684-8642 or through e-mail at cbrowning@fcamustangs.com.

In Christ,

Carrie Browning
Firelands Christian Academy
Assistant Principal/Teacher
