

The board above is a sample. You required board elements, but not a required layout.

Requirements:

Project Title (Approx. 3 in.)

Ten to Fifteen Pictures

Full Bible Verse and Reference (no abbreviations)

Label for Pictures *a label for EACH picture is not required but may be necessary for those viewing your board to understand what is pictured. Labels are also useful to the student who will need to be able to explain their subject thoroughly. ****K/1 students do not need labels.**

****Your goal is that the typed information can be easily read 10 – 15 feet away from the display board**

Boards need to be colorful and neat. Items mounted straight.

Use good quality glue or double-stick tape to mount items so that they will not become loose.
