Firelands Christian Preschool is an extension of Wayside Temple and is licensed by the Ohio Department of Job and Family Services. It is our mission to provide a caring and safe environment for preschool children ages 3-5. Our preschool program operates Monday thru Thursday from 8:30am – 11:30am. Our doors open at 8:00 am for any early arrivals.

Our staff is devoted to teaching children academic skills to help in preparing them for kindergarten and beyond. We have physical activity through games, play centers and outside activity. It is our goal to encourage friendships and respect for classmates, teachers, and family. Our staff shares God's love with students every day.

Sample of what our day looks like:
